

# IBM CLOUD SERVICES

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard's top navigation bar includes the 'IBM Cloud' logo, a search bar, and links to 'Catalog', 'Manage', and the user's profile. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section presents a horizontal carousel of six cards: 'Build' (purple background), 'Monitor your resources', 'Create and deploy an application', 'Get Started with the CLI', 'Explore IBM Analytics Engine', and 'Use Watson'. Each card provides a brief description and a 'Getting started' or 'Recommended' button with an estimated time. The bottom of the dashboard contains three sections: 'User access' with a 'Manage users' link, 'News' featuring an announcement for 'IBM Cloud Pak for Network Automation Version 2.4', and 'Planned maintenance'. The Windows taskbar at the bottom shows the system clock as 10:08 AM on 11/1/2022.
